Exclusive Winter Incentives for Cruise Lines

Low Season Advantage | November 1 – March 31 | Valid for 2026 – 2028

Unlock the potential of year-round operations in one of the Mediterranean's most iconic destinations.

The Municipal Port Fund of South Dodecanese and the Rhodes Tourist Port invites cruise partners to capitalize on a tailored incentive package designed to enhance operational efficiency, reduce costs, and support strategic deployment during the low-demand season.

Your competitive advantages:

- **10% Discount on Tugboat Services**
Lower operational costs while maintaining premium port assistance.
- **Preferential Water Supply Rate**
Only **€4.00 per m³** (*reduced from €4.80*) — delivering immediate cost efficiency.
- **Priority Berthing Advantage**
+11% weighting in the Berth Allocation System, ensuring improved scheduling flexibility and priority access.

Why Rhodes in Winter?

- Mild climate and authentic cultural experiences
- Less congestion, enhanced passenger satisfaction
- Strong local ecosystem ready to support cruise operations
- Strategic positioning in the Eastern Mediterranean itineraries

Position Your Fleet for Smart Growth

This initiative reflects our commitment to sustainable cruise development, extended seasonality, and long-term partnerships with leading cruise lines.

Rhodes is not just a summer destination — it's a year-round opportunity.
